

NFL TRIO WEEK 6 INTERCONFERENCE ACTION CONCLUDES! (For awhile anyway)  
GIANTS GET SHRUNK!!

Mary Mudd Berg and hubby Sean were too focused on what would be for dinner the next day and forgot to do what would be necessary to handle the PATRIOTS who came in on a 3 game losing streak! Well the GIANTS turned out to be the medicine Sab, Mike and Kaitlyn needed as they snap that streak 43-12! If you heard that LOUD screech after the game than you could see it was Kaitlyn Evers excited!

JETS ENGINES INFESTED WITH BIRDS!!

The JETS usually blow people out when they win but lose close?? On this night it looked like a normal Jet blowout as they jump on the EAGLES 16-0 after one. But who knew that would be the only points the Jets would see?!?! Ryan Evers said "I knew! We were lucky to get that lead. The Eagles are too good! Plus it was hard to concentrate with my sister screeching over there about the Patriots win! >:-((" 40-16 birds!

RAMMIN IT IN!!

It was just a matter of time before the Robinson duo was gonna bust out and bust they did and the CHARGERS were the victim of the RAMS breakout party!! Undefeated no more are the boltz after a Cat Robinson 771 topped by a Mo 781 and a 37-19 win for the new NFC West leaders! Brian Montagriff had to run to the shirt shop and cancel his order for shirts that read "17-0" that were to be made! Thanx MO!

TEXANS ROPE SOME KITTY CATS!!

Rusty Farley busts out a 299 game and gave the Texans the lead but then the PANTHERS came storming back to take a 19-13 lead but the Texans were having NO part of an upset and together put a 784 scratch game on the poor little kitty cats to come away with a 37-19 W!! Kory Cockrum was reflective after the game saying "We should ALWAYS roll 784's? Might be what it takes to win this tough tough division!?"

COLTS LOSE AGAIN??

Someone needs to tell Jayden Miller this is the regular season and they have NO business losing two games in row but that's what happened when Nathanel Akens repped his FALCONS nicely and led em to a convincing 40-16 win over the fading COLTS. Hannah Manley was looking for someone to slug in the jaw after the game but instead cursed out Jayden screaming "Get your SH\*T together dude!! I hate L's!"

PACKIN IT IN!

The PACKERS became the ZAC-ERS after Zac Harvey OWNED em leading the BENGALS to a 37-19 win over the 1-5 Pack! Michelle Hergenrader was so excited after the game pointing at the rest of the AFC North's scores saying "WE are the only ones in our division to WIN!!! Ya know what else?? We have won TWO games in a row!! Ya know what that's called??? A STREAK!!" Sneaky little Tigers back in the hunt!

49ERS SCORE FIDDY!!

Shelly Warren is on a mission!! The BRONCOS were the latest casualty in a 50-6 ROUT of the Super bowl XXV Champs but that seems like forever ago! Tanker Medaris said thru gushing tears after the loss "I'm really happy for Shelly and the 49ERS. Austin is now my brother cuz Shelly is my Momma after this spanking! I really enjoyed that spanking cuz I'm kinda weird that way?? We are 1-5? I don't enjoy that"

MELTED STEEL!

Noone was hotter than the STEELERS comin in but somehow the VIKINGS cooled em off in a surprising 49-6 rout in a battle NORTH division leaders! The Dynamic duo of Chris Jax and B-Law were finally human again and the Vikes took advantage! Jason Henson flexed his muscles saying "I'M a 3 year veteran now!! Don't ya be comin at me with that weak Sh\*T!! Steel is toooooo soft to stop me!!"

MORE WEEK 6 ACTION.....

#### COWBOYS POKE THE RAVENS!

All good things come to an end and the RAVENS win streak has done just that! The COWBOYS deal em an L in a tough 32-25 battle with a monster 3<sup>rd</sup> game! Nick Martinez would not be denied as he told Nick Gordon "We hafta win some regular season games like this and get into the playoffs if we are gonna get you that 5<sup>th</sup> str8 2<sup>nd</sup> round playoff loss!" Gordon angrily replied "Do I hafta have the same name as you?"

#### COMMANDERS SIMPLY TAKE COMMAND!

Levi Echer is SICK of COMMANDER footbowl!! They took Super bowl XXIV from him and NOW... this game! A close 34-22 loss has the BROWNS toiling at 3-3 and Tony Johnson is miffed! He said "Hey do you realize I'm a hall of famer now?? Gimme due respect!!" Don Perry said "Um Yeah... We have TWO hall of famers here in Commander-land. We respect you got 22 points but enjoy that LOSS Tone-Loc!!"

#### CARDIAC CARDS ARE BACK!!!

The world is right again!! The CARDINALS winning a tight game is what we're used to and it happened again as the DOLPHINS fall victim to the Cardiac Cards by a narrow 30-26 score! Shawn Maruca looked at Brock Baker and said "Um...How long is that Super bowl hangover of TWO years ago gonna last?!? Did we get damaged goods from the Lions? I'll trade yer ass to the Saints! Keith Koch would look fine in teal"

#### BUCS DON'T STOP HERE!!

Shhhhhh! There's a sneaky little team in the NFC South and it's the BUCCANEERS! They find their way back to .500 after a tough 36-21 win over the struggling BILLS. Bob Feuerborn is looking like the Bob of years past when he led the Lions to the playoffs almost 20 years ago and rookie Curtis Leonard has shed the Super-sub image and has found a home and helping them to success!! Meanwhile Taco is crumbling!

#### CHIEFS SCALPED!

Brianna Toole picked the upset and it HAPPENED!!! The SAINTS capture their first win of the season with a stunning 37-19 win over the previously red hot CHIEFS! Keith Koch reminded the Saints they were only 2 games back in the division despite the 0-5 record and that inspired Juanita Johnson as she took Cory Bennett to the woodshed! Well Now they are 1-5 and still 2 back! Shane Ehlers said "I just love Keith!!"

#### NO MORE UNDEFEATEDS!!

The JAGUARS finally lose after last years Super bowl run and the first 5 games this year it seemed they had forgotten HOW to lose??? Well the LIONS reminded them as this game was so in the muck that only ONE extra point was made hence the odd 43-9 final score. Chris Foster said "Hey a wins a win and we are the greatest!" Bobby Lucero said "Oh yeah?? Well we won our Super Bowl! How bout you Foster??"

#### SEAHAWKS DROWN!

Rusty Sessions said "I'm tired of this losing stuff!" He kicks it into gear and the RAIDERS come up with a solid 37-19 win over the up n down SEAHAWKS. Travis Miller profoundly stated "You can't win 10 in a row without winning the first one so we've done that so here we goooooooooo!! <see 10 o's!" Meanwhile Cherrie Summers was looking to trade her son away and pick up a rookie named Phillip!

#### BEARS WIN??? NOT A MISSPRINT... BEARS WIN!

Susan Murray came into the game saying "Do we really need to play this game??? I mean... It's the BEARS?!?! Of course we are gonna win" Carolyn Miller heard this and became angry as a Bear!! And since she is a Bear this all lined up quite well for a huge 40-16 win over Susan and the TITANS! Carolyn flexed her arms and said to Susan "Yeah guess we DO need to play!! How do you like me now lady!?!"
