

### WEEK 7 ACTION IN THE AFC!!!

#### BRONCOS RAVAGE THE RAVENS!!

An angry Salad Knoerzer came in on a mission and that was to NOT go to 1-6 and only the little purple bird RAVENS stood in her way! She ran up to Chris Feltus and said "I'M BIGGER THAN YOU!! You will lose! I must break you!" Chris said "Who are you? Ivan Drago??" Well she and the BRONCOS were more like Rocky Balboa in this one and they KO the Ravens 52-3!! Tanker Medaris said "The world is right now!"

#### PATSIES AGAIN!

The up n down PATRIOTS decided on a down week this week and the benefactors were the struggling BROWNS! Rocky Selk led the Brownies to a big 47-9 and stopped asking for a trade back to the Titans after the win. Levi Echer breathed a sigh of relief muttering "ok phew.. I'm still in contention to lose my third Super bowl! Yay me!" Sab Honeycutt said "What's the Super bowl?? Patriots have NEVER been!"

#### FISH DROWN THE TEXANS!!

Brock Baker led off and led the DOLPHINS to a HUGE AFC win over the TEXANS 40-16 to show the fish are a legit threat to rep the AFC in Super bowl XXVII. The Texans were an eyelash away from doing just that last year and Rusty Farley said "They can have this one... let's see what happens in the playoffs!" Good chance these two meet then. Would it be the AFC Championship game?? Fish have NEVER been!

#### COLTS MADE INTO DOLTS!!

Jayden Miller was having flashbacks all over the place and was very very confused??? He saw the BILLS logo and remembered when he sported that. Then he saw Taco and Dave Valvoda and remembered that while sported that he was in a Super vs those two. Next thing he knew he was rooting FOR the Bills and all the sudden his COLTS were a 37-19 loser and he had to accept Valvoda and Taco are his duel daddies!

#### ANOTHER CRASH LANDING!

The JETS forgot their defense on Hall of famer Cory Bennett as they watched him roll a 299 game on their azzzzzzes and the CHIEFS make a statement in their 47-9 thumping of the inconsistent J-E-T-S Jets Jets! Shane Ehlers was delighted and said "Ok we may not be able to catch the Chargers but we can get a wild card and WE would be the best to rep the AFC in the big game!" Chiefs have NEVER been!

#### GAME OF THE WEEK ELECTRIFYING!!

The CHARGERS are now the #1 team in all of Footbowl after handing the defending Super bowl Champion JAGAURS a devastating 40-16 L as Chris Learned goes crazy on the poor little kitties cats! He said "Could be a preview of a bigger game down the road and now I'm soooooo in their head! Bri Toole said "Get out of my head!! We wanna win the Super bowl!" Back to back has NEVER happened!

#### STEELERS STOLEN FROM!

Watch out for the RAIDERS!!! 2 in a row and the rookie Sessions are getting their understanding of winning footbowl and Travis Miller seems like he is getting that vibe he had a few years ago when the Raiders were one step away from the glory game! The STEELERS were the victim of this one as they fall 40-16 to the silver n black but Bobby L is still promising Jim Austin a SB. Steelers have NEVER been!

#### CAT SCRATCH FEVER!!!

Who them BENGALS!?!?! 3 in a row winners is what they are! They pound the TITANS 40-16 and suddenly right in the thick of a muddled AFC North where all teams are within a game! Michelle Hergz comforted Susan Murray after the game saying "Lady... I know how you feel losing like this. I felt that ALL Four times in the first four weeks but AFC Title game here we come!! Bengals have NEVER been!

WEEK 7 NFC STYLE!.....

IT'S NOT A PACK OF LIES!! THEY WIN!

Cody Hergenrader starts off 156 and the SEAHAWKS could not recover! Ree Summers was seen looking at a photo of Phillip and while he resembled Cody she was wishing she had acquired him instead of his brother Cody after the Hawks fall 34-22 to the PACKERS. Vaughn Woodard said "How do you like us now?? We just needed this kick start! THE PACK IS BACK!!!" Allen Wolff agreed saying "I love green!"

LAND EAGLES LAND!!

Crash landing that is as the BUCCANEERS may be the surprise team of the league outside the Chargers going to 4-3 and a share of the division lead as the blitz the EAGLES 47-9. Kalifire Martinez wiped a tear from her eye and said to Brian Nugent "Why did you beat us so bad?? We have been nothing but nice to Buccaneer teams in the past by knocking em out of the playoffs? Nuge said "Not THESE Buccaneers!"

GIANTS JUST BIG ENOUGH!!

Bobby Payton and Keith Koch were teammates on the Super bowl VI winning Colts. Well just 21 short years later they face off in different Uniforms and Bobby and his GIANTS get past Kieth and his SAINTS 34-22. Bobby said "This one is bittersweet cuz the bond Keith and I have from winning that Super bowl just can't be broken in only 21 years. I hope to reunite with him if I could just be a Saint! My dream!!"

49ERS FIND GOLD!!

Austin Warren is becoming a superstar and the 49ERS are enjoying the process as they pound out a 37-19 win over the COMMANDERS. DaRah Perry said to Shelly Warren after the game "Listen beeeoooh! Yer just lucky this game wasn't last week! Did you see me?? I woulda wiped the floor with ya!" Shelly said "Well wipe yer eyes this week cuz we win and YOU lose!!" Tough to defend an NFC Championship!

CARDS FALL IN THE BATTLE OF THE BIRDS!

Nathanel Akens was huge and the FALCONS were huger on the scoreboard as they outscore the CARDINALS 37-19. Rick Wolff turned to his sister Shannon Payton and said "I don't just wanna trade you for a different football player but I think I'm gonna trade you as a sister. I'm gonna call Ryan Evers and see if Kaitlyn Evers is available to be my little sister so go say hi to yer new little tall bro Ryan the Jet!"

LIONS WIN THE CATFIGHT!!!

The PANTHERS were no match for the surging LIONS as the king of the jungle was king in this one 47-9. Brian 'The Lion' Schurz said "This was just a warm up for what we are gonna do to the sucky Vikings next!" Justin Haltiner was seen pounding the table saying "Erghhhhh This division is SOOOO damn Winnable!! All we hafta do is win some games!!! We can't let this opportunity slip away pleeeeeease!!"
