

NFL TRIO WEEK 11 ACTION AS WE BEGIN CRUNCH TIME IN THE AFC!!

JETS CAN'T SINK THE TITANICS!

Rookie Susan Murray is PUMPED! Before the game she ran over to JETS star Mark Kellerby and grabbed his beard and yanked it down till they were nose to nose and screamed in his face "YOUR AS IS KICKED!!" Well she wasn't lyin as her TITANS come away with a vital 40-16 win to stay relevant in the AFC South race while the Jets are fading faster and sadder than Mike Tyson did in his last fight with Jake Paul!

RAIDERS NOT FADERS!!

RAIDERS Rookie Rusty Session chuckled as he spoke with fellow rookie Misty Sessions as he said "Pshhh... This NFL Trio stuff is sooooo easy! All we do is win win win?? All we do is lead the AFC West?? All we do is be 'Red hot team' And we are just rookies?? Our master Jedi Travis Miller has trained us well!" Travis said "Well I'm Darth Raider and the dark side of the force defeated the COLTS 47-9!"

CHARGERS SUFFER BLACKOUT AT THE HANDS OF THE BROWNS!!

The BROWNS got a smidge of separation in the cluttered AFC North division after a convincing 49-6 win over the fading CHARGERS. Levi Echer said "I'm about due to lose another Super bowl so to get there we gotta win games like this!" Tony Johnson said "Hey! I've lost a couple Super bowls myself!! It's fun!" Rocky Selk then said "Hey! I've never even played in a playoff game? This is MY year to do both!!"

ONE PIN MAN!!!

The TEXANS and RAVENS couldn't have played it any closer! One pin was the difference for the final TD and the Texans pull it out 30-26 in a critical AFC Tilt! Chris Feltus was in anguish as he saw the Browns were gonna win and his birds NEEDED this one! Kory Cockrum flexed his muscles and said "This is redemption for falling one mark short of the Super bowl last year! This year we will GIT-R-DUN!!!"

STEEL MELTED!

Taco sat next to Dave Valvoda and asked him "Hey Dave... remember 6 years ago when we were on the Giants and we snuck into the playoffs and.....WON THE WHOLE DAMN THING!?!?!?" Well that looks to be the plan for this years BILLS as they topple the STEELERS 40-16 to get above the .500 mark! While the division title may be tough to reach a wild card is a strong possibility for the surging Bills! Taco >>> 😊

PATSIES AGAIN!

No team has EVER won back to back Super bowls. Well the PATRIOTS seem to wanna see that happen as they provide little resistance to this years defending Champion JAGUARS as they let a 12-3 lead slip away into a 37-18 loss to Brianna Toole and her kitty cats! She said "I was on the Browns who lose Super bowls. I like R-Rod and Bobby L who WIN em!!" Sab Honeycutt said "What's a Super bowl?????"

FISH CAN'T BE STOPPED!!

Even the "Red hot team" BRONCOS can't find a way to beat these DOLPHINS! Even the reigning "Player of the week" Salad Knoerzer can't beat these Dolphins! Only 2 teams in 11 games have found a way. Tanker Medaris just shook his head after the 37-19 defeat saying "I tried to remind Brock Baker of how we came back and beat him in Super bowl XXV but it just made him mad and he kept making strikes!!"

Unopposed score:

WEEK 11 AS NFC RACES HEAT UP!!!!.....

COMMANDERS GET REPRIMANDED

The PANTHERS are suddenly co leaders in the Not-so-rugged NFC South as they stun the COMMANDERS 40-16. In a strange NFL Trio trend the past SIX.. count em SIX previous seasons Super bowl losers have failed to reach the playoffs the following year. The Manders are on great pace to make that SEVEN! Super bowl losing hangover IS a real thing! Meanwhile the 5-6 Panthers want that first EVER playoff win!

RAMS RAM IT IN THE SAINTS!

9-2 and the RAMS are running away with the NFC West after scooting by the SAINTS 36-19! But even at 2-9 the Saints are not out of the race because they reside in the NFC South! But this game mathematically eliminated the Saints from grabbing the #1 seed in the NFC which is a shock cuz has looked all year like they would be getting that??? Meanwhile the Rams just may be getting said seed.

NINERS FALL SHORT!

Brian "The Lion" Schurz may not get "Player of the week" This week but may get "General Manager of the week" (If there were such a thing) As he brings in a super sub who rolls a 300 game and the LIONS needed every bit of that to get by a feisty Shelly Warren and the 49ERS 31-25!! Shelly said "I am still so proud of my little Niner boys! I'm a proud mamma to both Austin AND Eldon and his right hand!"

NO CARDIAC ARREST HERE!!

The CARDINALS OWN the VIKINGS plain and simple! After a close game one the red birds go ahead and thrash the Purple puker eaters 50-6 to keep their wild card hopes alive! Shannon Payton giggled and said "God the Vikings suck!! If we could just play them every week we would be the first undefeated team in league history!" She aint lyin!!! But now she asks for the Vikings help this week vs division rival Seahawks

THE PACK IS BACK!!!

After a few year hiatus PACKERS legend Vaughn Woodard is BACK!! That has also seemed to re-invigorate the old Rudy Hebein and with Superstar Allen Wolff just doing his business from the anchor spot, the PACK is BACK!! They fight back from a 23-9 deficit to the BUCCANEERS to snatch this one 33-23 and are right back in the thick of the muddled up NFC North! And at 4-7 the Bucs are only 1 game out!

GIANTS TOO HUGE FOR THE BEARS!

The GIANTS are quietly putting together a nice season as they easily handle the BEARS 40-16 To keep pace in the NFC East. Sean and Mary mudd Berg are after that first deep playoff run and they have hall of famer Bobby Payton and his experience on their side but Bloppy confesses "I dunno how much my experience will help cuz all that experience was 21 years ago! And I had Keith Koch on my side!!"

HOW BOUT THEM COWBOYS!?!?!?

Shay was the Starr in this one as the COWBOYS win a battle of division leaders by squeeeeeeeeking by the FALCONS 29-27 despite another great performance by budding superstar Nathanel Akens. Nick Gordon was seen trembling when he walked by the Giants as he knows they may be standing between him and a fifth str8 divisional round playoff loss! The Falcons will proly win the South. Someone has 2.

FLY BIRDIE FLY!!

Which birdie flied?? Not the SEAHAWKS! They lose 37-19 to the EAGLES and Ree Summers was PISSED! She said "I bowl a 706 and we LOSE???? I am shopping my son around now. Any takers??? Trevor Miller you already look good in green! Wanna be my son and teammate??" Trevor said "Heck yeah! If you CAN beat em , join em! And we sure beat em!" Kali jumped in and said "NO he's my little BIG Eagle forever!"
